

Acme Corp Compliance Handbook 2022 (LEGACY)

This is the 2022 edition of the compliance handbook. It has been superseded by the 2024 edition. Refer to [compliance-handbook.pdf](#) for current policy.

Section 1 — Onboarding (2022)

Onboarding completed within five business days. Mandatory training covers information security and data privacy.

Section 2 — Compensation (2022)

The starting salary for a junior engineer in 2022 was 65000 USD per year. Equity grants follow a 4-year vest with 1-year cliff.

Section 4 — Travel Reimbursement (2022)

Per-diem meal allowance was 50 USD per day in 2022.

Section 4.1 — Exceptions (2022)

Air travel exceeding 1000 USD required CFO approval before booking under the 2022 policy. This threshold was raised in the 2024 edition.

Section 6 — Termination (2022)

Severance was one week of base salary per year of service in 2022, capped at 25000 USD.
